SUBJECT : Presidential Visit and Swearing In Ceremony

Tim :

1. As I mentioned to you verbally, I was more closely involved with the President's visit and swearing in ceremony on 9 March 1977 than any other activity since I have been in the Office of the DDA. Having heard nothing but praise for you and your staff in the past, I should have expected the same this time. Indeed, I now know why you have such a solid reputation. Your cooperation in seeing that every detail was covered added so much toward making this a flawless event. It is obvious your professional pride and that of your people gives a big assist toward enhancing this Agency's reputation for doing things right.

2. Thank you so much for your help.

MEMORANDUM FOR: Chief, Logistics Services Division, OL

Executive Officer, DDA
SUBJECT: Presidential Visit and Swearing In Ceremony

Dick :

1. As I mentioned to you verbally, I was most appreciative of and impressed by the cooperation of your Division in supporting the ceremony of 9 March 1977. As you know, the Director was most complimentary of the entire affair. LSD had a large role to play in all three facets of the event--the luncheon, the ceremony and the reception. This is the first time that I have been so completely involved with any activity of this sort, and it is easy to understand why this Agency enjoys the reputation of being able to put on a first-class production. Your cooperation and that of all those with whom I dealt was just great and certainly contributed to making my job a lot easier.

2. I want to personally thank all of you for your support and help.

Ben :

1. As I have mentioned a number of times, I was more closely involved with the ceremony of 9 March 1977 than I have been at any time since I came to this Staff. I would like you, Ernie and Jody to know of my personal appreciation for your cooperation and help. This Agency has a reputation of excellence in putting on these productions. It is very clear to me that there is pride in doing things well, and a total willingness to pay attention to every detail.

2. I am indebted to you for your help. Thanks again.
